

TAHOE CITY PUBLIC UTILITY DISTRICT Job Description

Job Title: Parks Seasonal
Department: Parks and Recreation
Supervised By: Parks Superintendent
FLSA Status: Non-Exempt
Revised as of: January 2015

JOB SUMMARY

Within a well-defined framework of established policies and standard operating procedures; perform a variety of unskilled, semi-skilled and skilled grounds, building, park and trail work and/or related activities to maintain repair, improve, preserve and protect the District's park and recreation facilities and grounds in accordance with prescribed maintenance management practices.

DISTINGUISHING CHARACTERISTICS

The Parks Seasonal classification is a seasonal entry to journey level classification, depending on education and experience. Incumbents work under immediate supervision from the Parks Superintendent while learning job tasks, progressing to general supervision as procedures and processes of assigned area of responsibility are learned.

SUPERVISION RECEIVED AND EXERCISED

Receives immediate to general supervision from the Parks Superintendent depending on level of experience; and technical and functional supervision from a Senior Parks Operations Specialist.

May exercise technical and functional supervision over County work release crew members, other District seasonal workers or volunteer groups as assigned.

ESSENTIAL FUNCTIONS

The duties listed are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

- Mow turf areas; plant, weed and prune in landscape areas.
- Clean a variety of District owned/maintained properties/facilities such as walks, courts, playgrounds, bike trails, beaches, infield areas, barbecue areas and parking lots.
- Sweep, rake, blow, hose down and shovel debris.
- Load and unload trucks of refuse, trimmings, soil, sand, rock and other materials.
- Utilize a variety of power and hand tools in compliance with all pertinent safety standards.
- Perform basic maintenance, care and repair of assigned equipment, tools and other supplies.
- Pick up litter, debris and empty refuse containers.

- Clean restrooms according to specified health and safety standards; scrub sinks, toilets, floors and walls; re-supply toilet tissue, paper toweling and soap; repair and/or report leaks, property damage and/or plumbing problems.
- Clear snow from walkways and stairs of District owned/maintained buildings.
- Maintain, repair and install irrigation systems; replace/adjust sprinkler heads; adjust and/or reconfigure pipes and heads.
- Paint, repair and maintain a variety of park facilities and related equipment such as fencing, concrete, play areas, walkways and mow strips; replace worn or broken parts; clean up graffiti.
- Maintain safety and awareness of pertinent safety issues on a continuous basis; identify safety and/or health issues; initiate necessary action and follow up to ensure safety and health standards are met and appropriate documentation is completed.
- Operate trucks, tractors, power mowers and other motorized equipment as required.
- Prepare playing fields.
- Clean vehicles.
- Maintain cleaning supply inventory,
- Complete work orders as needed.
- Prioritize daily work activities for self and others as assigned.
- Train, provide technical and functional supervision, and otherwise act as a resource to assigned county work release crew members, other District seasonal workers or volunteer groups in a variety of parks maintenance activities, safety procedures, departmental operations and policies.
- Must represent the District in a positive manner at all times.
- Maintain regular attendance and adhere to prescribed work schedule to conduct job responsibilities.
- Establish and maintain effective working relationships with co-workers and all others contacted in the performance of assigned duties.
- Utilize appropriate safety procedures and practices for assigned duties.
- Work safely and cooperatively with others including work release program participants.

ADDITIONAL DUTIES AND RESPONSIBILITIES

- Maintain a daily journal of work activities.
- Perform all other duties as assigned.

EMPLOYMENT STANDARDS

1. Knowledge of:

- Standard and accepted methods, tools and equipment utilized in the maintenance, repair and construction of a variety of District owned/maintained parks, trails, and facilities.
- Standard and accepted operation and routine maintenance of motorized vehicles and power equipment utilized in the maintenance, repair and construction of a variety of park and trail operations and facilities.
- Standard and accepted safety procedures applicable to a variety of maintenance and construction activities.
- Landscape, irrigation, electrical, construction and/or park operations.
- Principles and practices of customer service.
- Safe work practices.

2. Ability to:

- Learn the District's operations, policies and procedures as they relate to assigned duties.

- Operate a variety of motorized, heavy and power equipment utilized in the maintenance, repair and construction of District owned/maintained parks, trails, and facilities in a safe and effective manner.
- Operate a variety of hand powered maintenance and construction equipment in a safe and effective manner.
- Maintain work orders, routine records and logs.
- Perform assigned duties to include heavy and continuous physical labor in a safe and effective manner for self and others.
- Read, write and comprehend the English language at a level necessary for effective job performance exercising correct English usage, vocabulary, spelling, grammar and punctuation.
